

June Peer to Peer Award was awarded to Sylvia De La Rosa. Staff members would have to agree with Monik Garces that Sylvia goes above and beyond her call of duty. Sylvia's position as a Medical Receptionist allows her to be in contact with CHDI's patient and staff on a daily basis. "She is determined and dedicated to her job, she helps patients, is calm, cheerful, and very nice." Her ability to work great with others has helped her receive this month's Peer to Peer Award. Thank you Sylvia for all you do.
