

May Peer to Peer Award was awarded to Monik Garces. Staff members would have to agree with Samantha Velasquez that Monik goes out of her way to be helpful throughout the agency. Monik's position as a CMA allows her to be in contact with CHDI patients and staff on a daily basis. "She is very punctual, nice and a real team player." Her willingness to help others has helped her receive this month's Peer to Peer Award. Thank you Monik for all you do.
